

WARNING! THIS ACCESSORY RECEIVER HITCH IS FOR TRAILER ACCESSORIES AND IS NOT DESIGNED FOR TOWING!!

This trailer accessory receiver adapter is mounted as shown to any I-beam or box beam trailer frame. Select the appropriate mounting holes to minimize the gap between the bottom of the trailer frame and top of the receiver tube. Make sure the top of the receiver tube is against the bottom of the trailer frame before securely tightening the hex bolts, washer, lockwasher and hex nut.
